

The enviroGRIDS Final Project Meeting 2012 will be held at the Sheraton hotel in Batumi, Georgia, from 30 Oct.-1 Nov. 2012. The event is co-organized by the Black Sea Commission and the Ministry of Environment Protection of Georgia, with support from GeoGraphic GIS & RS Consulting Center.

The meeting will be held in conjunction with the Black Sea Day (Oct 31.), and will consist of a series of workshops and high-level plenary talks.

All participants are advised to book their flights as soon as possible, as the connections to Batumi are limited.

Program

The full program of the three days is find below (updated December 18) **with links to PDF presentations** . To access the links to presentations of the last day (enviroGRIDS partners), please log in to see an extended version of the program.

Information packages

Information packages with details on logistics and social events are found below:

For non-enviroGRIDS partners: {jd_file file==Information package for non enviroGRIDS partners}

For enviroGRIDS partners: {jd_file file==Information package for enviroGRIDS partners}

Registration

You must register to the events **before the 13th of September (extended deadline!)** by going to the dedicated registration page, where all details on registration fees are found:

www.envirogridfinalconference.ezregister.com

Meeting venue: Hotel Sheraton

www.sheraton.com/batumi (Virtual Tour of the hotel is found [here](#))

Discount room prices were negotiated with the hotel, and you can directly book your room using the following form. We advise you to book as early as possible by faxing this form to the hotel.

Attention for those staying at Sheraton! Contrary to what is indicted in the Sheraton Hotel booking form, taxi pick up to and from hotel is not comprised in the room price! Taxi pick up can be arranged only if you send your flight details (arrival times and flight numbers) to

Nino.Margalitzadze@Sheraton.com

. This cost will be charged on your room 12\$ one way per taxi. However, arranging your own taxi is cheaper.
